

2020

ANNUAL REPORT

OVERCOMING HARDSHIP AND LOSS THROUGH TEAMWORK AND PARTNERSHIPS

WHO WE ARE

Downtown Lexington Partnership (DLP) was formed in the 4th quarter of 2017 when the boards of Downtown Lexington Corporation (DLC) Lexington Downtown Development Authority (LDDA) merged under a common board. In 2020 LDDA, which was solely funded by the Lexington Fayette Urban County Government (LFUCG), was defunded by LFUCG and the common board separated.

Today, DLP (the dba moniker of the DLC) continues to function as the umbrella downtown organization providing a single point of contact and accountability and a coordinated approach to downtown revitalization and management. DLP works in close collaboration with the Downtown Lexington Management District (DLMD). DLMD has a separate board of directors that contracts with the DLP to manage its programs and services. Together the two organizations work to develop, manage and market downtown.

Downtown Lexington Corporation (DLC), founded in 1988, is a 501(c)4 membership-based, event and marketing not-for-profit. Through events and promotion efforts, DLC enhances the quality of life in Downtown Lexington and encourages responsible economic development in the downtown business core and its surrounding neighborhoods and districts. The DLC mission is to promote and facilitate development of Downtown Lexington as a unique and vibrant place in Lexington for business, residential life and entertainment. In addition, DLC acts as a liaison between downtown business and the local government.

Lexington Downtown Development Authority (LDDA), is a quasi-governmental organization which promotes Downtown's physical and economic development to strengthen and maintain Downtown Lexington as the cultural and economic heart of Central Kentucky. LDDA:

- Tackles the toughest development challenges directly.
- Drives investment into the neighborhoods and Central Business District by providing actionable urban design and real estate analysis for the public and private sectors.
- Sets the agenda for future development through community outreach, education, and public involvement.

Downtown Lexington Management District (DLMD) DLP also manages the program and services of the Downtown Lexington Management District on behalf of the Downtown Management District Board of Directors. DLMD is a property tax business improvement district created in May 2015 by the Lexington Fayette Urban County Government (LFUCG) Council through Ordinance No. 52-2015, after a majority of property owners within the proposed District approved a petition to request its establishment. In 2020, the district was renewed by petition and ordinance through 2025. DLMD uses the District property tax levy to enhance and manage the Downtown's physical environment and to foster economic development and Downtown revitalization by:

- Providing enhanced cleaning services to create a foundation for business development.
- Providing enhanced safety resources to address worker, visitor and resident safety.
- Supporting public art initiatives.
- Allocating resources for economic development programs that support property owners/businesses and for marketing Downtown to developers and business prospects.

OUR WORLD

Downtown Lexington is a center of employment, a hub of tourism and hospitality venues and the region's premiere destination for local cuisine, arts, nightlife, shopping and entertainment. It is wrapped with thriving historic neighborhoods and anchored by parks and trails and institutions of higher learning. It is the heartbeat of the region and Lexington's most diverse, welcoming neighborhood.

WHAT WE DO

DLP provides a **strategically coordinated approach to Downtown revitalization and management** and acts as the single point of contact and accountability. DLP works to create an economically powerful, vibrant Downtown by proactively and strategically working with our public and private sector partners to:

- Develop and improve Downtown.
- Provide enhanced cleaning, beautification and safety services.
- Market and promote Downtown and its businesses.
- Address critical issues that affect the success of Downtown and the District on behalf of our stakeholders and the regional community.

DLP MISSION AREA BOUNDARY ——— DLMD BOUNDARIES ——— PARKS ———

WHAT WE DID

OVERCOMING HARDSHIP AND LOSS THROUGH TEAMWORK AND PARTNERSHIPS

Together DLP and DLMD were able to overcome the financial hardship created by the COVID-19 pandemic and summer long protests which took their toll on the downtown economy and caused a number of permanent business closings. DLMD suffered the personal loss of Board member Jake Gibbs who passed away suddenly at the beginning of the year. DLMD was also challenged by an unexpected decrease in levy revenue. DLP also persevered in spite of loss of City funding, restructuring the DLP board and ending the year in a strong financial position. DLP's staff, though working remotely for much of the year, used teamwork to be nimble and responsive creating new partnerships and promotions to help the needs of our downtown merchants, restaurants and bars. DLP and DLMD are positioned to help downtown move forward with a strong recovery in 2021 and look forward to working with our partners and downtown businesses continuing to make downtown vibrant and successful.

KEY ACHIEVEMENTS

COVID-19 RESPONSE

DLP and DLMD worked together to proactively and aggressively develop and implement programs to support our businesses during their time of need.

Goal: To develop and implement business support programs, marketing initiatives and virtual events to provide financial support to downtown businesses and drive customer spending downtown.

- Developed and managed joint DLP/DLMD business recovery and reopening grant program providing a pool of \$80,000 to fund grants to 34 businesses leveraging \$288,592.
- Worked with the City on the outdoor dining options and extension of expanded dining and provided technical assistance to downtown businesses looking at street closures and expanded dining.
- Directed DLMD Ambassadors to focus on power washing and disinfecting surfaces.
- Implemented three special marketing programs: Wear to Show You Care presented by Humana, DowntownLex Together presented by Central Bank, and Locally Lexington in partnership with Kinetic by Windstream. Programs were promoted with 271 posts with a combined 5,199 engagements and 210,584 impressions with a reach of 145,285. Web pages for the programs generated 1,283 web views combined.
- Created several webpages in response to COVID-19 including a resource page that was updated daily as well as a page that listed up to date info on downtown businesses and their offerings. Pages earned a combined 2,794 pageviews and had an average view time of 2:57.
- Hosted giveaways across DLP social media channels that featured downtown businesses and encouraged followers to support local throughout the pandemic.
- Hosted eight virtual events to help drive customers to downtown businesses.
