Leaf Collection in Action

Check out the video above showing the DLMD ambassador's effort to maintain a clean downtown as the seasons change here in the heart of our city.

In 2020, the City Council unanimously voted to renew the DLMD until 2025 after over fifty percent of District property owners voted in favor of renewal. We'd like to thank those property owners for their continued support!

Over the past year, DLMD has been very busy! We were featured at the 2023 State of Downtown with Downtown Lexington Partnership and featured in the 2023 State of Downtown Report, full of information about what our two organizations accomplished.
